

2022 INTERNATIONAL COMMUNICATION ENGINEERING AND CLOUD COMPUTING CONFERENCE (CECCC)

Nanjing, China / October 28-30, 2022

2022 International Communication Engineering and Cloud Computing Conference (CECCC 2022) will take place in Nanjing, China during October 28-30, 2022. CECCC aims to promote the exchange of innovative scientific information between researchers, developers, engineers, students, and practitioners.

All accepted papers will be published in International Conference Proceedings by IEEE, which will be included in IEEE Xplore and submitted for Ei Compendex and Scopus for indexing.

CALL FOR PAPER (<http://www.ceccc.org/cfp.html>)

Track I: Communication

- High Performance Networks and Protocols
- Information Theory and Coding
- Internet measurement, modeling, and visualization
- Optical Networks and Systems
- Satellite and Space Communications
- Sensor Networks and Embedded Systems
- Wireless Communication
- Network Security
- Multimedia Networking etc
- Communication Systems

Track II: Computing

- Artificial Intelligence and Machine Learning
- Cloud, Cluster, Grid and P2P Computing
- Computer Graphics, Simulation and Modeling
- Cryptography and Applied Mathematics
- Distributed algorithms
- Mobile and Wireless Computing
- Natural Language Processing and Machine Translation
- Parallel and Distributed Algorithms
- Pattern Recognition and Analysis
- Human Computer Interaction and Interface

SUBMISSION GUIDELINE

1. Full paper (publication and presentation)
2. Abstract (presentation only)

① For full paper and abstract, please upload it to the Electronic Submission System (.pdf)
