

CECCC 2023

<http://www.ceccc.org/>

October 27-29, 2023

Nanjing, China

PUBLICATION

The accepted (Registered & Presented) full papers will be published in International Conference Proceedings.

CECCC 2022 Proceedings have been archived in IEEE xplora: <https://ieeexplore.ieee.org/xpl/conhome/10068859/proceeding>

Sponsored by: Nanjing University of Science and Technology (NUST)

2023 5th International Communication Engineering and Cloud Computing Conference

CALL FOR PAPERS

Track I: Communication Engineering ///

- Cognitive Radio and Cognitive Networks
- High Performance Networks and Protocols
- MEMS Technologies for Communications
- MIMO Communications in Computer Networks
- Network Simulation and Emulation
- Optical Networks and Systems
- RFID Networks and Protocols
- Satellite and Space Communications
- Sensor Networks and Embedded Systems
- Smart Spaces and Personal Area Networks
- Social Network Behaviors, Modeling, and Analysis
- Vehicular, Underground and Underwater Networks
- Wireless Communication
- Radio-over-Fiber
- Free Space and Fiber-Optic Communications
- Network Security
- Multimedia Networking
- Information Theory and Coding
- Blockchain for Communication Networks
- 5G and Beyond Networks

Track II: Cloud Computing ///

- Future Internet and Next-Generation Networking Architectures
- Internet measurement, modeling, and visualization
- Software Defined Networks and Network Programming
- Optical Networks to Support Cloud Computing
- Cloud, Cluster, Grid and P2P Computing
- Big Data, Data Management and Analytics
- Computational Intelligence
- File and Storage Systems
- Mobile and Wireless Computing
- Multiprocessor & multi-core architectures & algorithms
- Parallel and Distributed Algorithms
- Quantum Computing
- Robotics and Machine Vision
- Self-organization, self-stabilization, & autonomic computing
- Human Computer Interaction and Interface
- Edge Computing and Fog Computing

Not limited to the above topics, if the article is concerned with Theory and Application of Communication Engineering and Cloud Computing Technologies. Please visit the CECCC 2023 web page: <http://www.ceccc.org/cfp.html>.

SUBMISSION

*Paper length should be at least four pages in IEEE format style, and limited to less than 10 pages.

*All papers can be submitted to the Electronic Submission System (.pdf)

<http://confsys.ieee.org/submission/ceccc2023>

*Paper template can be downloaded from:

<http://www.ceccc.org/conference-template-letter.docx>

More details about submission, please visit at <http://www.ceccc.org/sub.html>

IMPORTANT DATES

Submission deadline

May 5, 2023

Notification date

June 5, 2023

Registration deadline

June 20, 2023

Early Bird Registration

June 20, 2023

CONFERENCE SCHEDULE

October 27, 2023 | Conference Sign in, Materials Collection, and Welcome Reception

October 28, 2023 | Opening Remarks & Keynote Speeches & Authors' Presentations in Parallel Sessions

October 29, 2023 | Tour or Academic Visit
